Table lamp

- TeaLights White 6 set
- clear
- LED

69126/60/86

Place light anywhere, use it with ease

TeaLights is a set with a delightful flickering effect that simulates the flame of a real tea candle. They are supplied in six stylish frosted glass cups. As they are the same size as wax tea lights, they fit into existing holders.

Benefits

Freedom of placement

- Weatherproof for indoor and outdoor use
- Battery operated, no need to connect to mains while in use

Ease of use

- Simply tilt the candle to turn it on and off
- Easy wireless induction charging no hassle with wires
- Up to 20 hours of light on a single charge
- Fit into existing holders

Safe to use

- LED technology is cool to touch
- No open electricity
- Innovative LED technology with extremely long operating life

Ambiance light effect

- Flickering light that is like a real candle

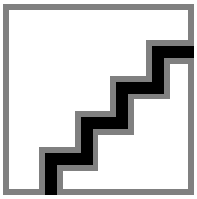

Features

Flickering light

They give off a warm glow with gentle flicker, but without the risk of open flames and hot wax

PHILIPS

Easy to switch on and off

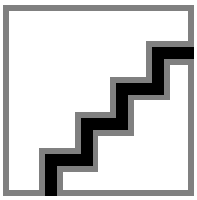

By tilting the LED candle light you can switch it on and off. Surprisingly easy and funny.

Wireless charging

Easy recharging of the products with wireless induction charger

Cool to touch

While having the light effect the product remains cool to touch because of the Philips LEDs.

No open electricity

By using unduction charging and waterproof products the user is not confronted with open electricity.

Weatherproof

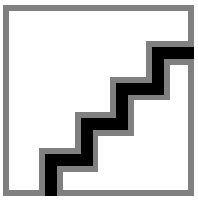

Rechargeable batteries

They provide more than an evening of light per charge, and are easily recharged using the wireless induction charger.

Up to 20 hours of light

They provide more than an evening of light per charge, and are easily recharged using the wireless induction charger.

Fit into existing holders
