Illuminate your garden at night

This Philips myGarden Fresco recessed spot has beautiful light to show garden features at their best, or illuminate dark areas clearly. The adjustable head allows a directional beam, to direct the light wherever you need it.

Designed for your garden
- IP23 - weather proof

Sustainable light solutions
- Energy saving
- Warm white light
- Always a Philips bulb included

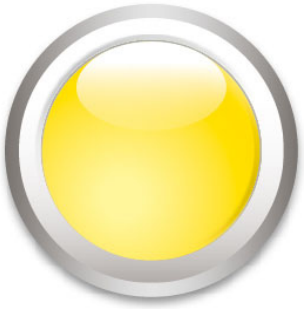

PHILIPS

Recessed spot light
Fresco white

017963116

Highlights

Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Always a Philips bulb included

High quality Philips light bulbs are included in the box to achieve the best light effect.

Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

IP23 - weather proof

This Philips outdoor light is especially designed for humid outdoor environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This outdoor light is designed with IP23: it is protected against spraying water and ideal for lighting a veranda or a porch.

Specifications

Design and finishing
- Material: stainless steel
- Color: white

Extra feature/accessory incl.
- Dimmable
- Weatherproof

Product dimensions & weight
- Length: 10 cm
- Width: 10 cm
- Net weight: 0.180 kg
- Recessed distance: 11 cm
- Cut out length: 8.0 cm
- Cut out width: 8.0 cm

Technical specifications
- Mains power: Range 220 V - 240 V, 50-60 Hz
- Bulb technology: halogen, 230 V
- Number of bulbs: 1
- Fitting/cap: GU10
- Wattage bulb included: 50 W
- Maximum wattage replacement bulb: 50 W
- Light color: warm white
- Beam angle: 30°
- Fixture dimmable
- LED: No
- Built in LED: NO
- Energy class included light source: D
- Fixture is compatible with bulb(s) of class: C to E
- Lifetime up to: 2,000 hrs
- IP code: IP23, protection against objects bigger than 12.5 mm, protection from sprayed water
- Class of protection: II - double insulated
- Light source equivalent to traditional bulb of: 54 W
- Lumen output bulb included: 400 lm
