- Energy saving
- High quality LED light
- Warm white light
- Philips offers a 5-year warranty on the LED module and driver

Designed for your garden

- Motion sensor included, for convenience and reassurance
- IP44 - weatherproof

PHILIPS

Highlights

Energy saving

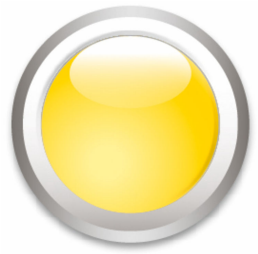

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

High quality LED light

The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

5-year warranty on LED system

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.

Motion sensor included

A motion sensor is included to welcome you when you return home or let you know when someone has arived. When the sensor detects movement, the lamp switches on automatically.

IP44 - weatherproof

This Philips outdoor light is especially designed for humid outdoor environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This outdoor light is designed with IP44: it is protected against splashing water. This product is most commonly used and ideal for general outdoor use.

Specifications

Design and finishing
- Colour: inox
- Material: synthetics, aluminium

Extra feature/accessory incl.
- 5 year warranty on the LED module: Yes
- LED integrated: Yes
- Motion sensor: Yes

Garden area
- Garden area: Front garden

Miscellaneous
- Especially designed for: Garden and Patio
- Style: Contemporary
- Type: Wall light
- EyeComfort: No

Power consumption
- Energy Efficiency Label: Built in LED

Product dimensions and weight
- Height: 13 cm
- Length: 12.2 cm
- Net weight: 0.221 kg
- Width: 9.4 cm

Service
- Warranty: 5 year(s)

Technical specifications
- Lifetime up to: 25,000 h
- Light source equivalent to traditional bulb of: 30 W
- Total lumen output fixture: 320 lm
- Bulb technology: LED, 230 V
- Light colour: warm white
- Mains power: Range 220 V–240 V, 50 Hz
- Fixture dimmable: No
- LED: Yes
- Built-in LED: Yes
- Energy class included light source: Built-in LED
- Number of bulbs: 1
- Wattage bulb included: 3.5 W
- IP code: IP44, protection against objects bigger than 1 mm, protection from splashed water
- Class of protection: II - double insulated
