- 1.5 L detachable water tank, up to 2 hours of ironing
- Lock your iron securely to the base station
- Steam boost up to 350 g
- Our best gliding soleplate

PHILIPS

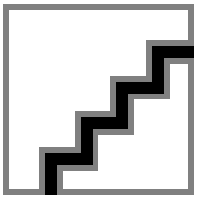

Features

OptimalTEMP technology

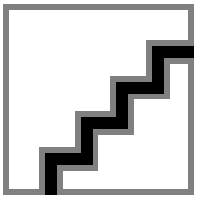

Now you can iron from jeans to silk with no temperature setting required. Guaranteed no burn on all ironable fabrics. Revolutionary technology with the 1) Advanced Smart Control Processor which controls precisely the soleplate temperature. You do not need to adjust temperature 2) Powerful Cyclonic steam chamber which delivers powerful consistent steam, making ironing easier and faster.

Steam ready in 2 minutes

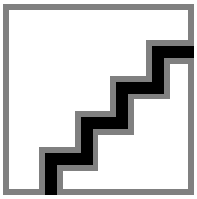

Steam is ready to use in 2min and can be refilled at anytime during ironing.

Up to 6.5 bar pressure

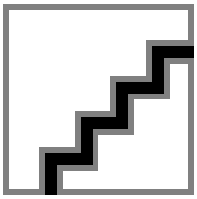

The more steam, the faster the ironing. Consistent powerful steam is generated which penetrates deep inside the garments making ironing faster and better. Steam power can be regulated to fit your needs.

Easy De-Calc

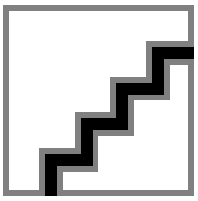

Ultra long lasting steam performance: Philips' exclusive Easy De-Calc function provides the ideal way to get rid of limescale and extend the lifetime of your steam generator iron. Your iron will remind you with light and sound when to perform cleaning. Only when your appliance is cold, simply open the Easy De-Calc knob , and collect the dirty water and scale in a cup.

Safety auto off

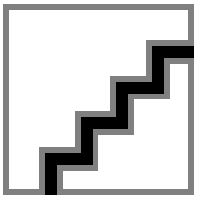

The safety auto off function automatically switches off the appliance if it has not been used for 5 minutes, to save energy.

1.5 L detachable water tank

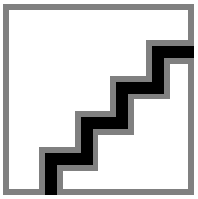

The watertank can be removed to be refilled easily under the tap. The large filling hole makes the refilling fast.Thanks to the 1.5 L watertank capacity, you can iron up to 2 hours continuously without any refills.

Safe rest

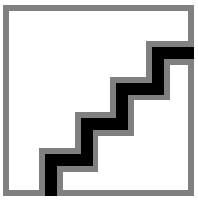

The Philips innovative OptimalTEMP technology guarantees no burn on all ironable fabrics. During ironing, no need to put your iron back to the base station, just leave the hot iron soleplate directly on the garments or cotton ironing board cover without additional resting accessory. It will not damage any of your ironable garments, neither the board. This makes your ironing easier with less wrist efforts.

Tested and approved:

This iron is tested and approved by independent textile experts institutes for its excellent ironing performance, such as DWI, IWTO, Woolmark. The Woolmark Apparel Care program helps consumers identify quality laundry products that are approved by The Woolmark Company for use on wool products. Philips with its exclusive OptimalTEMP technology has been so far the only brand able to be certified with the Gold standard from Woolmark. You can be confident that the Woolmark-approved apparel care products are ideally suited for any wool garments.

Safety carry lock

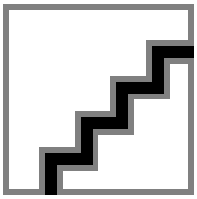

Your steam generator iron comes with a safety carry lock. You can lock your iron safely on the base, making it safer, reducing the risk of people touching the hot soleplate. You can also carry the steam generator easily.

Steam boost up to 350 g

The steam boost can be used for vertical steaming and tough creases.

PerfectCare Expert

T-ionicGlide soleplate

Our best gliding and most scratch resistant, 5star rated soleplate with integrated Titanium-Oxide layer
