Highlights

For kids

This Philips and Disney light for your child's bedroom creates an environment which encourages children to indulge in what they enjoy most – fun and creativity! A place where your child can study, play and sleep accompanied by their favorite Disney character. This light is designed to be safe for your child.

Cool to touch

This light is completely safe for children, because it is made of child-friendly materials and uses LED light, which is always cool to touch.

Durable and drop proof

This light is durable and drop proof, without sharp edges and made out of durable material.

Making sure your kids will have imaginative moments without any worries.

Reading light

SleepTime Mickey is great for soothing bedtime stories that helps children to fall asleep. The diffused warm white light of SleepTime Mickey is gentle and provides the perfect light output for good visibility while reading.

Stay in bed - moon indicator

At bedtime, the right button on SleepTime Mickey's belly lights up showing a moon. The moon sheds a subtle night light reassuring your child during the night and indicating that when the moon is there, he / she needs to stay in bed.

Time to play - sun indicator

When it is ok to get out of bed, according to the timer you have set on the bottom, the left button on Mickey's belly will light up. A sun will show, letting your child know that it is ok to come out of bed.

Fun and easy on/off switch

Press on the top of SleepTime Mickey's head and it lights up with a gentle warm white reading light.

Easy to set-up morning time

With the intuitive on-product control at the bottom of the lamp, parents can set the clock and timer at the time they think it's OK for their child to come out of bed and start its day. The interface is easy and simple to use.
