Classic Globe (GLS) 11W (75W) 2700K 1060lm E27 Dimmable Frosted Lamp

As LED products produced using new technologies are used with old dimmer technology, achieving effective and smooth dimming can be challenging. For this dimmable lamp we have tested, and recommend, the dimmer detailed in the specification below.

This 11W retro-fit Integral LED Classic Globe (GLS) (large screw base) delivers a cool white light and brightness, similar to a 75W filament bulb. It features high output LEDs, an anti-glare refractor, all finished in an aluminium and plastic, thermally efficient body. Ideal for living rooms, hallways and kitchens.
