PHILIPS

Indirect light
LightStrips Essential 2 m white, LED

7016687PU

Highlights

Natural white diffused light

The natural white light with an output of 180 lumen/metre blends naturally into your interior thanks to the diffused light effect.

Cut to size

If your LightStrips do not exactly fit the required application, you can easily cut them to size. Cutting marks on the product indicate where to cut.

Plug and Play: easy installation

The LightStrips are very easy to install and guarantee immediate fun thanks to the plug and play principle. Everything you need is included in the box and explained in the Quick Start Guide.

Easy to mount

Paste the LightStrips wherever you like thanks to the integrated adhesive strip on the back.

Easy-to-use light switch

Simply switch the LightStrips on and off by using the on/off switch.

Safe LED technology

The LightStrips are safe to touch and use without the risk of open electricity.

Protective silicone layer

Enhanced protection for electrical parts against dust and moisture, even during cleaning.
