- Swivel cord to prevent tangled wires
- 2 years of worldwide guarantee

PHILIPS

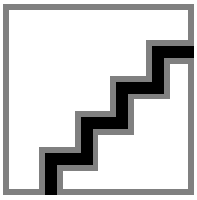

## Features

### Long plates

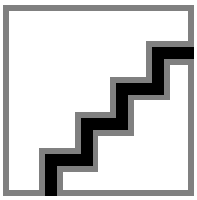

The longer plates enable a better contact with the hair and help you achieve perfect straightening results in less time.

### 210°C professional temperature

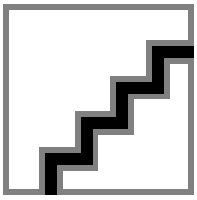

This high temperature enables you to change the shape of your hair and gives you that perfect look you want.

### Instant heat up

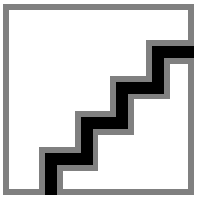

The straightener has a fast heat up time, being ready to use in 60 seconds

### 1.8 m cord

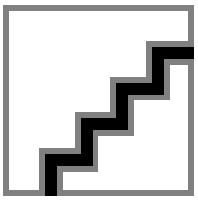

### Handle closing lock

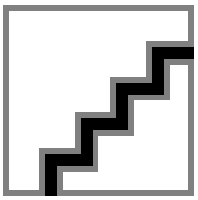

The straightener has a closing lock mechanism. Located at the base of the straightener, this locks plates, making storage quick and easy and helping to protect the straightener from accidental damage.

### Universal voltage

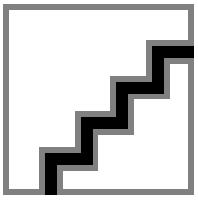

Worldwide voltage for getting the perfect travel companion

### Swivel cord

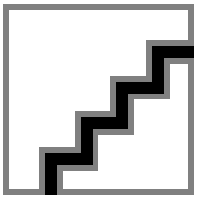

Useful swivel cord technology rotates the cord to prevent tangled wires.

### 2 years guarantee

2 years of worldwide guarantee.

### Ceramic coating

The smooth ceramic coated plates prevent damage to your hair during styling.
