Maximum juice. Minimum fuss.

Make up to 2 l of juice in one go and clean up with

- Quick and easy assembly of all parts
- Powerful 800 W motor
- Easy checking of pulp with see-through pulp container
- Juice up to 2 L in one go
- XL feeding tube (75 mm)
- QuickClean technology
- All pulp collected in one place for easy disposal
- QuickClean sieve
- Smooth and easy-to-clean surfaces

Highlights

Quick and easy assembly

Quick and easy assembly of all parts.

Powerful 800 W motor

Juice the toughest fruits and vegetables effortlessly with the strong 800 W motor.

See-through pulp container

Enjoy a true interactive juicing experience. The lid and the pulp container are transparent so you can see your fruits and vegetables being juiced. You also directly see when the container is full, which means it is time to empty it.

Juice up to 2 L in one go

You can make up to 2 L of juice in one go without needing to empty the pulp container.

XL feeding tube

The 75 mm extra-large feeding tube allows you to juice even large fruits and vegetables like apples, carrots and beetroots without pre-cutting.

QuickClean technology

The Philips juicer is designed for easy cleaning thanks to QuickClean technology. Cleaning can now be done within 1 minute, thanks to the integrated pulp container and smooth surfaces.

Integrated pulp container

The pulp will all be collected in the only place where it should be: in the pulp container of your Philips juicer. That means you no longer need to remove pulp from other parts such as the lid. Due to the round design and smooth surfaces without nooks and crannies, the pulp is easy to reach and the container is much easier to clean.

QuickClean sieve

A lot of pulp fibres usually get stuck in the sieve, which makes it very difficult to clean. Thanks to the innovative QuickClean technology, all surfaces of the sieve are smooth, which helps you wipe away the fibres with a standard kitchen sponge.

Smooth and easy to clean

The juicer is designed with round shapes and smooth surfaces to facilitate easy rinsing under the tap.

Specifications

General specifications

Non-slip feet: Yes
Integrated cord storage: Yes
Safety clamps: Yes
Speed setting: 1

Design specifications

Material housing: Aluminium
Colour(s): Aluminium
Material jug: SAN jug and PS cover
