NTRX100/77

Highlights

Dynamic lighting

Step in time to the dazzling beat of music. Cool lights blink to the rhythm of songs, adding fun and excitement to tunes. When you don't want the lights on, you can simply turn the feature off. Add glam and spice to dance parties, sizzling celebrations and cool events with these sensational dynamic lights.

Simple setup

Simple setup with any Philips party machines

Digital Sound Control

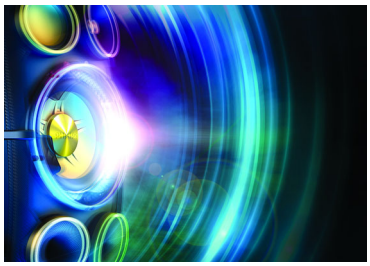

Digital Sound Control offers you a choice of pre-set Jazz, Rock, Pop and Classic controls you can use to optimise the frequency ranges for different musical styles. Each mode uses graphic equalizing technology to automatically adjust the sound balance and enhance the most important sound frequencies in your chosen music style. Ultimately, Digital Sound Control makes it easy for you get the most out of your music by precisely adjusting the sound balance to match the type of music you are playing.

Dual Bluetooth

Dual Bluetooth allow music streaming from 2 smartphones

NX bass button

Available throughout the range, NX bass temporarily boosts bass and loudness to the extreme. Hit the NX bass button to instantly juice up your sound, make lighting effects go wild, and feel the immense bass of the subwoofers thundering through your bones.
