Shape light your way

- Extend your Lightstrip Plus with 40 inch extensions
- Extendible up to 33 feet
- Ultimate flexibility: shape, bend and extend
- Requires a Philips Lightstrip Plus and a Philips Hue bridge

PHILIPS

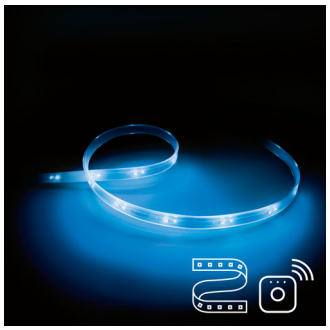

Highlights

Extend your Lightstrip Plus

Extend your Philips Hue Lightstrip Plus with these 40 inch extensions to cover larger surfaces and enable wider applications.

Requires a Lightstrip Plus

This product can only be used to extend a Philips Hue Lightstrip Plus and needs to be connected to the Philips Hue bridge.

Extendible up to 33 feet

Extend your Philips Hue Lightstrip Plus up to 33 feet by adding 40 inch extensions to cover larger surfaces and enable wider applications. From bright cove lighting to ambient navigation light in your hallway or stairs, anything is possible. Philips Hue Lightstrip Plus gives you full color consistency from the first to the last extension.

Ultimate flexibility

Philips Hue Lightstrip Plus is the most flexible light source imaginable. You can shape the strip in nearly any form and use the adhesive tape on the back to attach it to any solid surface. If needed, you can cut your Philips Hue Lightstrip Plus to size at the scissor markings. Integrate Philips Hue Lightstrip Plus onto furniture, in coves, under kitchen cabinets or highlight architectural features with smooth, indirect light. Philips Hue Lightstrip Plus is the most versatile and robust light source that will bring your room to life.
