If you love it, dry it

The DelicateCare dryer safely and gently dries everything you wash - even the most delicate items, such as silk, wool and cashmere. This means you can be confident that you will always look your best.

Tailored drying programs for even your most delicate items

The unique DelicateCare System automatically adjusts the drum rotation speed, direction and temperature to optimize the drying process for different types of fabrics. No shrinkage compared to flat drying of wool is guaranteed thanks to the

Greater care with lower energy

Heat-pump technology ensures this dryer uses less energy than a traditional dryer. The heat pump gives it an A++ rating, so it helps keep your energy bills down. And because it dries at lower temperatures, your clothes look good for longer too.

More Benefits :
