PHILIPS

Steam iron
Steam 35g/min;130g steam boost SteamGlide soleplate, Anti-calc, 2300 Watts

GC2982/36

Highlights

Up to 35 g/min of steam

Continuous steam up to 35 g/min for better crease removal.

Steam boost up to 130 g

The steam boost can be used for vertical steaming and tough creases.

SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.

Calc clean slider

This steam iron can be operated with normal tap water and the calc clean slider makes it easy to remove any built-up scale out of your iron. To maintain the performance of your Philips steam iron, you should use this scale clean function once a month when using normal tap water.

Robust heelrest

This iron features a specially designed extra large heelrest, which gives extra stability when it is put in vertical position.

Drip-stop system

The Drip Stop system of your Philips steam iron lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

2300 Watt

This powerful iron heats up quickly and maintains very stable temperatures during ironing, making it easier to remove creases properly.
