Blade that doesn't become blunt easily

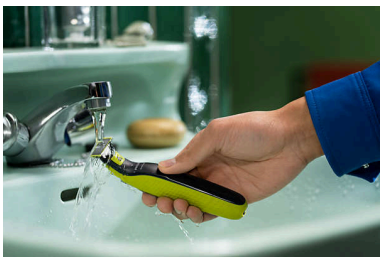

Durable stainless-steel blade that lasts up to 4 months of use* to keep that fresh feel. When the replacement indicator - eject icon - appears on the blade, the blade performance may no longer be optimal. It is time to consider changing the blade for the best shaving experience

Dual-sided blade

Cuts both up and down. Get the perfect lines in seconds with the dual-sided blade, enabling you to see every hair you're cutting.

Wet and dry

OneBlade is waterproof (IPX7), making it easy to clean — just rinse it under the tap. You can also shave in the shower, with or without foam, however you prefer.
