Highlights

Album cover with insert compartment

For first impressions: insert compartment integrated into the album cover with space for one photo - ideal for personalisation or for organisation by theme

Structured paper

A lasting impression: the cover made from structured paper is a joy to touch and look at

Spiral binding

Precision spiral binding: creates sufficient space for photos and so on without the cover being raised

Internal spiral lock

Spiral lock on the inside: The spirals lock inside on the back cover page, preventing any of the album leaves from falling out

More product information

- A spiral album allows you to not only archive your photos, but you can also get creative with the album's design
- Stick in more than just photos: The black inner pages provide space for all manner of stories about the various pictures and other memories, such as tickets, drawings, etc.
- The spiral album is especially good for creating scrapbooks
- You choose how many photos you want to stick on one page
- The inside pages are separated with white/transparent glassine interleaves: they provide a clear view of the next page and protect your photos and creatively designed pages from sticking together

What's in the Box

- 1 "Fine Art" spiral album

Note for Consumers

Don't forget the glue for careful adhesion: we recommend photo corners and tapes, or a glue roller for larger quantities.
Gel pens allow you to personalise your album.

FAQs

How large is the cover opening of the Fine Art album?

"Fine Art" Spiral Bound Album
album size: 24 x 17 - cover opening 6 x 6 cm
album size: 28 x 24 - cover opening 7 x 7 cm
album size: 36 x 32 - cover opening 10 x 10 cm

"Fine Art" Bookbound Album
