CSPKBTWPSUCB

Wireless Bluetooth Waterproof Suction Speaker

The Conceptronic Wireless Waterproof Suction Speaker is a funky Bluetooth multimedia device which connects to any Bluetooth mobile phone, PDA, laptop or PC. With a tough but soft gel-plastic outer shell protecting the sophisticated electronics inside, the speaker is waterproof, light, and suitable for low-power USB devices. A suction cup secures the speaker to almost any surface, making it versatile and functional as well as eye-catching and fun. Finished in a stylish and compact design, this ultra-cool little speaker is the ultimate music companion for travel, sports, the beach, parties, or just life in general.

Highlights

> IPX4 International Waterproof Standard
> Bluetooth 3.0 wireless connectivity
> 400mA rechargeable battery built-in. Sustains 3-4hr operation
> Suction cup secures the speaker to most surfaces
> USB Powered
