# 15.6” Drifter Slipcase

TSS874

## Overview

Slimmer than a briefcase and roomier than a sleeve, the Targus 15.6” Drifter Slipcase combines protection and easy access for laptops with screens up to 15.6”. Rugged design includes reflective piping, padded shoulder strap, soft-grip handles and trolley strap for safe and comfortable travel. Inside, a padded, divided compartment secures your laptop and stores documents or magazines. The slipcase also features a dual-zippered, padded front workstation pocket with segmented space for chargers, smartphone and supplies. Weather-resistant side and bottom panels add durability.

## Features

- Padded laptop compartment with document sector fits laptops up to 15.6". Padded front workstation with segmented storage protects accessories and small devices.
- Convenient pass-through trolley strap secures with hook and loop closure when not in use
- Metal zipper pulls and grommets withstand heavy use
- Water-resistant sides and bottom combine with durable nylon construction for active protection
