FOR A GOOD REASON
GRUNDIG

Ionic Curling Wand
HS 5430

Product data

- **25 mm diameter** for especially glamorous curls and waves with spectacular bounce and flexible hold
- PERFECT PROTECTION: **Premium ceramic coating with keratin** finishing provides even heat distribution. In this way it protects stressed hair, activates the colour brilliance of the hair and provides for great shine.
- **Switch on and switch off ionic function** helps prevent static charging and balances the moisture content of the hair by numerous ions covering the hair fibre and compensating for the loss of moisture caused by the heat. Hair gets shiny, gently hydrated and vitalized.
- **Adjustable temperature regulation** from 120° C to 210° C, suitable for any type of hair.
- Worldwide voltage adjustment 120-240 V~, 50/60Hz
- Great convenience in safety and use
  - Blue illuminated temperature LCD-display
  - Fast heating up time in just 60 seconds
  - Automatic switch-off after 30 minutes
  - Integrated product stand for safe cooling
  - Cool tip
  - 1.8 metre cable guarantees freedom of movement when styling
- Colour: Anthracite / Turquoise
