Easy to combine with breastfeeding

Natural latch on

Our pure glass bottle helps to make bottle feeding more natural for baby and you. The imported teat features a comfort petal design for natural latch on and the free imported brush is to easily clean bottle and teat.

Pure and safe
- Heat resistance
- Pharmaceutical grade glass

Easy to combine breast and bottle feeding
- Natural latch on due to the wide breast shaped nipple

A more comfortable and contented feed for baby
- Unique Petals for a soft, flexible nipple without collapse
- Compatible with Philips Avent range

Air goes into the bottle, not baby's tummy
- Advanced anti-colic system with innovative twin valve

Other benefits
- Simple to use and clean, quick and easy assembly
- This bottle is BPA free*

Highlights

Heat resistance

The Natural glass bottle is heat and thermal shock resistant. It can therefore be safely stored in the fridge, warmed, and is also suitable for sterilization.

Pharmaceutical grade glass

Fully recyclable, premium quality borosilicate glass to ensure the highest quality for ultimate purity.

Natural latch on

The wide breast shaped nipple promotes natural latch on similar to the breast, making it easy for your baby to combine breast and bottle feeding.

Unique comfort petals

Petals inside the nipple increase softness and flexibility without nipple collapse. Your baby will enjoy a more comfortable and contented feed.

Growing with your baby

The Philips Avent Natural bottle is compatible with the Philips Avent range, excluding Classic bottles and cup handles. We advise to use the Natural bottles with Natural feeding nipples only.

Advanced anti-colic valve

Innovative twin valve design reduces colic and discomfort by venting air into the bottle and not baby's tummy.

Simple to use and clean

Wide bottle neck makes filling and cleaning easy. Only a few parts for quick and simple assembly.

This bottle is BPA free*

The new Philips Avent Natural bottle is made of BPA free* material (Glass)
