Highlights

DualCut Technology

Power through any hair type with our advanced DualCut Technology, which combines a double-sharpened cutting element with low-friction engineering. The innovative cutting element is designed to perform time after time, cutting hair twice as fast as standard Philips clippers, with a robust stainless steel guard for ultimate durability.*

Titanium blades

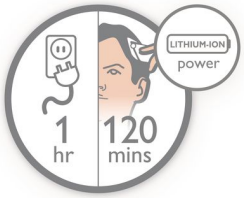

The advanced Titanium blades are harder than steel for ultimate durability. In addition, the blades are self-sharpening to ensure long-lasting performance and accurate cutting, time after time.

24 lock-in length settings

Turn the zoom wheel to simply select and lock in the length you want, with 23 length settings from 1 to 23 mm, and precisely 1 mm between each length. Or you can use it without the comb for a close 0.5-mm trim.

Corded and powerful cordless use

Use the clipper corded or cordless for maximum power and freedom. The powerful Lithium-Ion battery provides up to 120 minutes of cordless power after only 1 hour of charging.

Turbo boost

The turbo power button boosts cutting speed for a perfect cut even on the thickest hair.

Easy to clean

Simply click open the detachable head to quickly release and wash the blades.

5-year worldwide warranty

All of our grooming products are built to last. They come with a worldwide guarantee and worldwide voltage compatibility. Simply register your clipper at www.philips.com/5years to receive an
additional 3 years on top of your standard 2-year Philips guarantee, giving you a 5-year worldwide warranty in total.
