Highlights

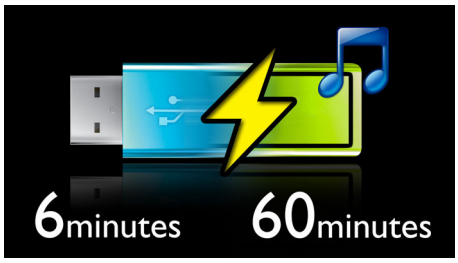

Built-in clip
Nothing should get in the way of you. Thanks to the lightweight design and sturdy built-in clip, your GoGEAR Sounddot is cleverly designed to be clipped onto your attire securely and stylishly, making it your perfect companion on-the-go.

Up to 6-hour music playback

Jive to endless hits with your GoGEAR player. A compact rechargeable battery is built in for long-lasting power. Up to 6 hours of continuous music playback can be enjoyed with a single charge. Just connect the player via Direct USB to your computer to charge, without the need for any cables. It's really that simple.

Fast charging (60 mins)

Sometimes, you just need your GoGEAR player to take you from home to office and back again or for a short run – but you forgot to charge it last night. Say goodbye to frustration and boring, silent journeys with Fast Charge. Philips' smart and convenient solution lets you plug your GoGEAR to your PC or USB charger for just 6 minutes and in return, you get a whopping 60 minutes of audio playback! Fast Charge works by relying on much higher current levels to give your lithium-ion battery the power it needs to tide you over in a jiffy … and keep the music going.
