- Lamp current: 20 mA

Highlights

36° halogen light beam

With a familiar focused light output, equal in look and feel to halogen spots, this LED spot is suitable for both accent lighting and general-purpose lighting.

A simple LED for everyday use

The Philips everyday LED is the perfect bulb for basic lighting needs. It provides the beautiful light and dependable performance you expect from LED at an affordable price.

Cool, energising light (3000 K)
Light can have different colour temperatures, indicated in units called Kelvin (K). Bulbs with a low Kelvin value produce a warm, cosier light, while those with a higher Kelvin value produce a cool, more energising light.
