Highlights

36° halogen light beam

With a familiar focused light output, equal in look and feel to halogen spots, this LED spot is suitable for both accent lighting and general-purpose lighting.

A simple LED for everyday use

The Philips everyday LED is the perfect bulb for basic lighting needs. It provides the beautiful light and dependable performance you expect from LED at an affordable price.

Cool, energising light (3000 K)

Light can have different colour temperatures, indicated in units called Kelvin (K). Bulbs with a low Kelvin value produce a warm, cosier light, while those with a higher Kelvin value produce a cool, more energising light.

Gentle LEDs, easy on the eyes

It's easy to see how harsh lighting can strain the eyes. Too bright, and you get glare. Too soft and you experience flicker. Now you can gently light up your world with LEDs designed to go easy on the eyes, and create the perfect ambience for your home.

No visible flicker

When your light flickers in quick succession it could be hard on the eyes, cause headaches and even set off an attack for those with photosensitive epilepsy. It's both unpleasant and unnecessary. LEDs can flicker because of their rapid response to the driver current. However, because Philips LEDs are designed so that variations in your driver current's output are minimised, they eliminate the factors that cause flicker. So, you won't see it, not even a hint.

Specifications

Bulb characteristics
- Shape: Spot
- Cap/fitting: GU10
- Dimmable: No
- Wattage: 5 W
- Wattage equivalent: 50 W
- Lamp shape code: MR16
- Voltage: 220–240 V

Power consumption
- Power consumption per 1000h: 5 kW·h
- Energy efficiency label: A+

Light characteristics
- Beam angle: 36 degree
- EyeComfort: Eye Comfort
- Colour: White
- Colour temperature: 3000 K
- Colour rendering index (CRI): 80
- Starting time: < 0.5 s
- Light effect/finish: White
- Rated centre beam intensity: 450 cd

Durability
- Lifetime of lamp: 15000 hour(s)
- Number of switch cycles: 50000
- Average life (at 2.7 hrs/day): 15 year(s)

Bulb dimensions
- Height: 50 mm
- Width: 54 mm

Issue date 2018-11-09

Version: 2.0.1

12 NC: 9290 012 20786
EAN: 87 18696 59984 6
