Continuous steam up to 15 g/m

Continuous steam up to 15 g/min for fast crease removal.

Integrated water spray

The spray function produces a fine mist that evenly moistens the fabric, making it easier to iron out creases.

Large filling door
Large filling door to prevent accidental water spilling.

Temperature control dial

The large temperature control dial lets you easily adjust to the right ironing temperature for each kind of fabric, so you can achieve your desired results safely.

Non-stick soleplate

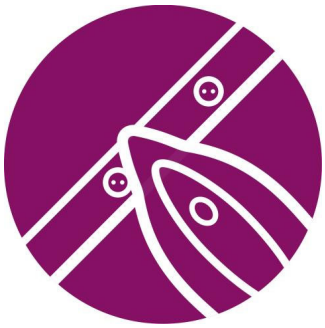

The soleplate of your Philips iron is coated with a special non-stick layer for good gliding performance on all fabrics.

Power up to 1200 W
