PHILIPS

Ceiling light

myLiving

MAUVE PIR

white

LED

62233/31/P0

Perfectly suited to smaller rooms.

This Philips myLiving light can be easily turned on and off by the motion sensor. This light is therefore perfectly suitable for smaller rooms such as your hallway, stock rooms or cellar.

Sustainable light solutions

- Energy saving
- High quality LED light
- Long operating life of up to 15 years
- Warm white light
- Philips offers a 5-year warranty on the LED module and driver

Designed for your garden

- Motion sensor included, for convenience and reassurance

Highlights

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

High quality LED light

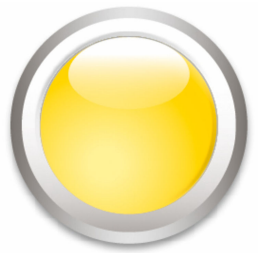

The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

Long operating life

A light source you can trust. The integrated LEDs used in this Philips LED lamp will last up to 15,000 hours (which equals 15 years on the basis of an average use of 3 hours/day with at least 13,000 on/off switching cycles). It feels so good to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambience in your home.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

5-year warranty on LED system

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.

Motion sensor included

A motion sensor is included to welcome you when you return home or let you know when someone has arived. When the sensor detects movement, the lamp switches on automatically.

Specifications

Design and finishing
- Colour: white
- Material: plastic

Extra feature/accessory incl.
- Adjustable spot head: No
- Dimmable with remote control: No
- LED integrated: Yes
- Motion sensor: Yes
- Remote control included: No
