Bright cool white light

High power LED source

Extremely long life

A light source you can trust. Philips LED lights offer an extremely long-life of at least 20,000 hours (which equals 20 years on basis of an average use of 3 hours / day with an amount of at least of 13,000 on/off switching cycles). It feels so comfortable to think that you won't have to worry about maintenance or lamp replacement while having the perfect light ambiance in your home.
