Touch Pen for Gaming

Art. No.: AA0087

Best Connectivity

Ideal Touch Pen for gaming on the tablet and smartphone.

Metal Fibers Pen tip
With the pen tip made by metal fibers, designed to increase the durability dragging or drawing on the tablet than the usual silicon pen tips.

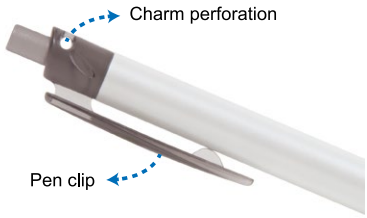

Write and draw smoothly on the touchscreen like on the paper
Adopted soft silicone rubber inside the pen to allow fast screen responsiveness and flow while gaming.

*The Touch pen's slippery may vary depending on the material of the touchscreen.

The Touch Pen has a clip and a charm perforation
Easy carrying in a bag or in the pocket with the pen clip design; also charm perforation on the Touch Pen to decorate your favorite straps or accessories.

No more worrying on getting the touch screen dirty
Using the Touch pen keeps the screen clean of smudges and fingerprints.
