Highlights

Easy to clean sieve

Thanks to the polished sieve it is very easy to clean up away leftovers with a kitchen sponge.

Pre-clean

Philips' unique pre-clean function allows you to quickly rinse clean your juicer between different juices or after juicing. By pouring water into the pusher, you can create a water fountain rinsing away unwanted leftovers.

Pulp in one place

Due to the round shape without nooks and crannies theleftovers is collected in the pulp container.

Dripstop

The integrated drip stop allows you to stop between juicer sessions keeping your counter top spotless. Activate the drip stop by simply turning the spout.

XXL feeding tube

Save time and start juicing faster. You no longer need to cut up most fruit and vegetables to fit this juice machine. Just pop it all into the 80mm XXL feeding tube, and enjoy a boost of nutrition every day.

Powerful 900W motor

Juice hard fruits and vegetables effortlessly with the strong 900W motor
