FSP250-60EGA 90+

bulk.fsp-europe.com/fsp250-60ega-90

This ATX PSU has a real power rating of 250W (continuous @ 40°C). The 8cm fan located on the back of the PSU ensures that it can be used in any kind of ATX chassis without any compatibility issues, while the ball bearing improves its lifespan. EGA series also protects your PC by providing complete protection (OCP, OVP, UVP, OPP, SCP and OTP). The typical efficiency of 90% will be valued by those environment-conscious system builders.

The 80 PLUS® Gold certification also exceeds the Energy Star Version 6.1 Power Supply and Power Management Requirements for Computers: Effective September 10th, 2014.

Features:

- 80 PLUS® Gold certified (115V)
- Full Range & Active PFC
- 8cm ball bearing fan
- Low ripple & noise
- OVP, UVP, OCP, OPP, SCP & OTP protection
- ErP 2013 compliant

Specifications:
