CSPKBTBASSDISCOB

Wireless Bluetooth Disco Speaker

The Conceptronic Wireless Disco Speaker is a Bluetooth multimedia device which connects wirelessly to a Bluetooth mobile phone, PDA, laptop or PC. It is an ultra-large magnetic circuit high-sensitivity speaker with high penetrating power, low-frequency shock and perfect medium/high-frequency representation. The speaker is perfect for outdoor activities such as camping, partying, barbeques at the beach or wherever life takes you. Supports microphone input, volume and reverb controls, with microphone priority mode and microphone input recording to act as your professional assistant for party and business use.
