Whitening Electric Toothbrush
1 mode 1 brush head

HX3211/23

Highlights

Removes up to 3x more plaque

Removes up to 3x more plaque than a manual toothbrush for a superior clean

Unique diamond-shaped bristles

This Philips Sonicare toothbrush head features a central stain-removal pad, from densely-packed diamond-shaped bristles to remove surface stains caused by food and drinks. Also available in smaller, compact size for precision cleaning.

Helps improve gum health

Effectively helps improve gum health via a gentle cleaning action

Helps whiten teeth

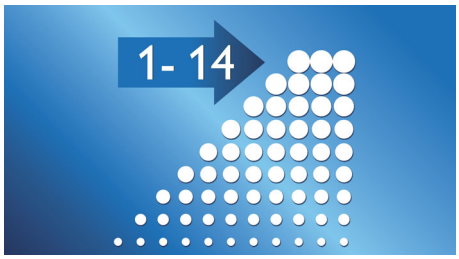

For a bright shiny smile

Quadpacer and Smartimer

The Quadpacer interval timer indicates when it's time to move to another quadrant of the mouth, while the Smartimer helps you reach the dentist recommended brushing time of two minutes.

EasyStart

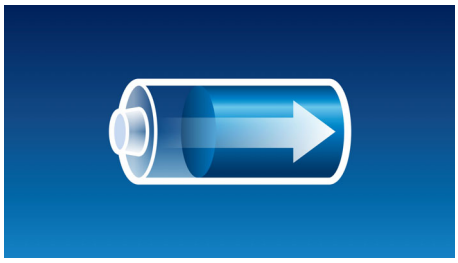

The EasyStart feature adjusts the power level of the toothbrush over the first 14 uses to help you get used to the Sonicare experience, streamlining the transition from a manual toothbrush

Click-on brush head system

This brush head clicks on and off your brush handle for a secure fit and easy maintenance and cleaning. It fits all Philips Sonicare toothbrush handles except: PowerUp Battery and Essence.

Battery life

Lasts up to 10 days between charges.

Sonic technology

Philips Sonicare electric toothbrush's unique dynamic action gently and effectively reaches deep between teeth and along the gumline.
