PHILIPS

## Features

### Crispy and tender results

Thanks to Philips TurboStar technology, all food is exposed to this constant, circulating heat and is cooked through simultaneously. The result is evenly fried food – with no turning needed - even when food is piled up. In addition to the heated air flow, powerful direct heat from above quickly crisps the food for delicious, golden-brown results. “Crispy on the outside, tender on the inside”

### QuickClean basket

With Philips’ Airfryer QuickClean basket which includes a removable non-stick mesh, cleaning becomes easier and faster. The removable nonstick coated drawer and the food basket are dishwasher safe for easy cleaning. Philips Airfryer with TurboStar technology saves you and your home from the smell of fried oil compared to a regular fryer.

### Versatile cooking

Not just great for frying, the innovative Philips Airfryer with Rapid Air technology also lets you grill, bake and even roast your favorite dishes for a one stop solution for all of your meals.

### Small in size, big in capacity

The new Airfryer has been designed with compactness in mind (20% smaller) while still enabling to cook large amount of food (800 gr). With its reduced size it blends in perfectly onto the kitchen counter-top and serves delicious meals for the whole family. Its thoughtful size enables every day usage and a world of possibilities.

### Instant heat-up

Philips Airfryer is ready to use immediately. Integrally faster from start to end it drives every day usage by superiority along the whole cooking process.

### Healthier frying

The unique Philips TurboStar generates fast superheated air to fry your food with little to no added oil. Philips Airfryer also creates less smell than conventional fryers, it is easy to clean, safe and economical for your daily use!

### Universal EasyClick handle

Philips' new universal EasyClick handle helps you mix and match the right cooking accessory and achieve the best results for your key dishes- every day. Additionally it allows for compacter storage after use.

### Grill pan accessory

Enjoy more of your favorite foods with the grill pan accessory. Perfect for grilling fish, meat, vegetables and more in an easy, quick, & healthier way.

### Inspiring recipes

The Philips Airfryer app is free and filled with delicious recipes and easy to follow step-by-step cooking instructions. Get inspired with quick, healthy snacks or meals for special occasions.

Viva Collection

### 50% more homogenous results

The innovative Philips TurboStar technology swirls the hot air rapidly through the whole basket. This results in more homogenous heat distribution and therefore 50% more evenly fried food*. There is no need for turning- even when food is piled up. In addition, powerful direct heat from above quickly crisps the food.

### Dishwasher safe parts

The removable nonstick coated drawer and the food basket are dishwasher safe for easy cleaning. Philips Airfryer with TurboStar Technology saves you and your home from the smell of fried oil compared to a regular fryer.
