EB-2055

DATASHEET

Deliver perfect presentations with a projector offering a brightness of 5,000 lumens and intuitive features, such as Gesture Presenter.

Bring sharp images and bright colours to any meeting room with our super-bright new business projector, which offers an outstanding brightness level of 5,000 lumens and XGA resolution. The EB-2055 is designed to project a scalable image up to a massive 300 inches, and offers stream and share wireless connectivity using Epson's Multi-PC projection or the Epson iProjection App.

Up to 300-inch display and outstanding quality

Epson’s 3LCD technology ensures high-quality content has more vivid colours and brighter images. HDMI connectivity guarantees sharper and clearer content, even at the maximum image size of 300 inches.

Simple setup and connectivity

The EB-2055 offers stream and share wireless LAN connectivity using Epson's Multi-PC projection or our Epson iProjection App and two HDMI connections. Setup is easy too, thanks to features including auto-power-on, focus help, keystone correction and screen fit - allowing the user to deliver presentations quickly and effectively.

Keep costs down

Project for longer with improved reliability and a longer lamp life of up to 10,000 hours in eco mode.

Home screen

The home screen offers quick and easy access to a variety of useful functions, such as connection sources. Wireless connections can also be made easily using the information on screen.

Gesture Presenter

Change slides by simply moving your hand, making even smarter presentations a reality by liberating the user from their remote control or mouse.

KEY FEATURES

- **Up to 300-inch display and great quality**
  Epson's 3LCD technology with XGA resolution
- **Outstanding 5,000-lumen brightness**
  Project bold, colourful images even in bright rooms
- **Stream and share connectivity**
