EPSON STYLUS **OFFICE BX610FW**

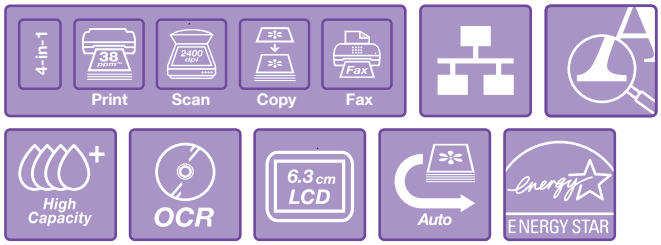

This high-performance 4-in-1 has integrated Wi-Fi and Ethernet networking, a 6.3 cm LCD viewer and a 30-page Automatic Document Feeder (ADF). It's the easy, affordable way to print, copy, scan and fax all your business documents.

This business 4-in-1 has everything you need to add speed, flexibility and high-quality colour printing to your business. Meet deadlines with fast printing at up to 38 ppm, and laser-like prints up to 15 ppm in black and 9.3 ppm*6 in colour. Handle high volume scans, copies and faxes with the 30-page ADF.

With its 6.3 cm LCD viewer, clear controls, wireless and Ethernet connection it can easily handle all your business printing needs and improve your productivity. You can even send faxes from your PC, save scans anywhere on the network and manage and share documents at the touch of a button.

And with high capacity individual ink cartridges it delivers a cost per page that's comparable to a laser printer*5 whilst the XL black cartridge prints over four times more pages*2, meaning less frequent cartridge changes and more cost-effective business prints.

- 4-in-1 colour printer with Wi-Fi and Ethernet networking
- Maximum print speed 38 ppm*6
- 6.3 cm LCD viewer
- 30-page Auto Document Feeder
- Send faxes from your PC over the network
- Share and manage documents across the whole office with Presto! PageManager® and edit documents with OCR software
- High capacity individual inks deliver a low cost per page comparable to a laser printer*5
- XL black ink cartridge prints over 4 times more pages*2
