Product Benefits & Features

Powerful dishwashing. With SatelliteClean®
Experience impeccable dishwashing with SatelliteClean®. This spray arm has three-times better coverage than the standard. Because the double rotating arm constantly changes the angle of the spray. Water reaches every corner. For a complete clean.

Perfect protection for delicate glasses
The special glass program delivers perfect washing results while protecting your most precious glass, crystal and china.

Superior Cleaning and best glass care
Your delicate glasses can not be cleaned in a safer way thanks to AEG SoftGrip and SoftSpikes which perfectly holds your glasses, protecting them from getting damaged.

Open-door drying with AirDry
AirDry technology delivers up to three times better drying performance when compared to closed-door systems. The door automatically opens at the end of the drying phase and air is circulated inside the machine. Dishes emerge perfectly dry. Every time.
