TV Flex L

Full Movement TV Wall Mount

Full Movable for the Perfect View

The TV Flex L brings limitless TV enjoyment in your home. The full-motion wall mount offers a perfect view at the screen from every perspective.

Space-Saving Attachment on the Wall

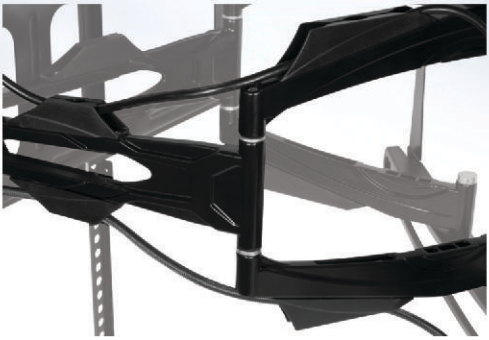

You can adjust the distance between the Wall and the Monitor from 43 to 520 mm. Thus, the TV Flex L saves you space and simultaneously creates an optical highlight in your living rooms.

Simple and Quick Installation

In almost no time at all, the lightweight holder is mounted on the wall. All you need for installation, is a power drill. An integrated spirit level ensures an optimal adjustment.

Cable Management

An intelligent cable management cares for a clean sorting of your electronic connections to the TV screen and prevents annoying cable clutter.

Secure Hold through Lock System even for the Largest TV Sets

Thanks to the stable lock-system with secured brackets, the TV Flex L holds your TV, which can weight up to 60 kg, safely on the wall. With this TV wall mount, screens with a size from 49" to 88" will find their well-deserved place.
