HG654350SM Built-in Hob

Slim, sleek and 20% faster.

The new AEG gas hob is faster in getting that right flavour. The speed burners in this hob gives you 20% more speed compared to a normal gas hob and the smooth stainless steel surface fits perfectly in your kitchen design.

New generation of Burners

The design of the speed burners in this AEG gas hob allows the flame to directly target the bottom of the pan, providing quicker heat and greater efficiency. These high speed burners get you cooking up to 20% faster.

Light the gas with just one hand

You have total control over ignition. Simply activate the gas burner you need by gently turning and pressing then knob.
