HG755550SY Built-in Hob

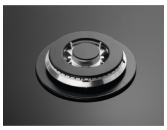

Slim, sleek and 20% faster.

The new AEG gas hob is faster in getting that right flavour. The speed burners in this hob gives you 20% more speed compared to a normal gas hob and the smooth stainless steel surface fits perfectly in your kitchen design.

New generation of Burners

The design of the speed burners in this AEG gas hob allows the flame to directly target the bottom of the pan, providing quicker heat and greater efficiency. These high speed burners get you cooking up to 20% faster.

Powerful wok burner

The powerful triple crown wok burner achieves the high temperatures needed for the perfect wok cooking.
