Highlights

Flexible, soft shield

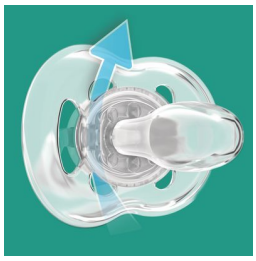

Delicate skin needs extra care. Our FlexiFit technology lets this shield follow the natural curves of your baby's face for a comfortable fit. Your little one will experience fewer skin marks and less irritation.

Rounded shield

Our rounded shield minimizes pressure for comfortable soothing that's gentle on your little one's cheeks.

Extra airflow

Skin needs to breathe, especially your little one's. Our shield has 6 air holes for extra airflow, designed to reduce skin irritation.

98% accept silicone nipples

Babies know what they like! We asked moms how their little ones respond to our textured silicone nipples and 98% said that their baby accepts the Philips Avent ultra soft pacifiers.

Silky textured nipple

This pacifier's silky, textured silicone nipple soothes and comforts your little one.

Orthodontic nipple

Our collapsible silicone nipple has a symmetrical shape that respects your baby's palate, teeth and gums as he or she grows.

Sterilizer / carrying case

With our carry case you can sterilize your baby's pacifer in the microwave and store hygienically when you're on the move.

Case makes sterilizing easy

Place well-rinsed pacifiers into the case, add 25ml/9fl.oz. of water and microwave at 750-1000W for 3 minutes. Leave to cool for 5 minutes, pour water away and they're ready to go.

Made in the UK

You can be sure that your little one's comfort is in good hands. This pacifier was made at our award-winning site in the UK.*
