Datasheet

HP Pavilion All-in-One PC 24-b222na

Always the Center of Attention

Gather around and experience the power of your family's new centerpiece. The HP Pavilion All-In-One brings style and performance to the center of your home. From media streaming to homework conquering, this PC will keep your family's attention.

Powerfully engaging
With an industry-leading powerful processor[1] and up to 16 GB of RAM, your family can surf, stream, work, and play with all the power they need.

An entertainment standout
With the brilliant edge-to-edge Full HD IPS display[2] and dual front-firing HP speakers, custom-tuned by B&O PLAY, captivate your family with immersive entertainment.

Designed to show off
This All-in-One is styled to be the centerpiece of your home. The small footprint of its sleek design takes up less space, while adding a modern touch to your desk.

HP Lounge, get closer to the Artists you love
With unlimited access to music and exclusive content for HP customers, there's no need to search for it, as it comes to you.[17]

[1] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. [2] Full high-definition (FHD) content required to view FHD images. [17] Unlimited access to Universal Music's portfolio for 12 months, free to HP customers. Internet access is required.

Datasheet

HP Pavilion All-in-One PC 24-b222na
