CEILING MOUNT CM100

A Rugged Ceiling Support System for Large BARCO Projectors

The CM100 CRT or CM100 LCD enables mounting of any BARCO 800, 808, 1200 or 5000/8000/9000 series projector to the ceiling, and to adapt the projector perfectly for various mounting requirements.

Features

- A pulley system facilitates lifting, installation and maintenance of the projector.
- Adjustable height from direct ceiling mount to 735 mm (29")
- The projector can easily be levelled through four corner screws.
- After fitting to the ceiling, it is possible to move the projector until projection is perpendicular to the screen.
- Slide-in of the projector and automatic lock system through two security pins.
- It is possible to lift a dual projector stack assembly (frame for multiple projectors should be used).
