Enjoy a beautiful garden with light

The Philips Parterre LED black outdoor post light suspends a cube of light within a durable die-cast aluminium cradle. The ingenious design casts beams of diffused warm white light over pathways and open areas outdoors.

Sustainable light solutions
- High quality LED light

Designed for outdoors
- High-quality aluminium and superior synthetics

Special characteristics
- Weather-proof

Highlights

High quality LED light
The LED light bulb delivered with this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

High quality material
This Philips lamp is made specifically for outdoor spaces. It's hard-wearing and built to last, so it will light up your garden night after night. It's constructed from high-quality die-cast aluminium and superior synthetics.

Weather-proof

This Philips outdoor lamp is specially designed for humid outdoor environments and has undergone rigorous tests to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This lamp is designed with IP44: it is protected against splashing water. This product is most common and ideal for general outdoor use.

Specifications
