- Motion sensor, for convenience and reassurance
- Philips offers a 5-year warranty on the LED module and driver

Special characteristics
- Weather-proof
- Easy installation
- Long operating life of up to 25 years

PHILIPS

Features

Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

High quality material

This Philips lamp is made specifically for outdoor spaces. It's hard-wearing and built to last, so it will light up your garden night after night. It's constructed from high-quality stainless steel and superior synthetics.

Weather-proof

This Philips outdoor lamp is specially designed for humid outdoor environments and has undergone rigorous tests to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This lamp is designed with IP44: it is protected against splashing water. This product is most common and ideal for general outdoor use.

Easy installation

Installing a luminaire can sometimes be difficult. With this Philips outdoor lamp, you can be sure that great attention has been given to making it easy and simple for you. This article is delivered with a torx key to be used during installation.

Motion sensor

A motion sensor is included to welcome you when you return home or let you know when someone's coming.

5-year warranty on LED system

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.

Long operating life

A light source you can trust. The LED bulb, delivered with this Philips LED lamp, will last up to 25,000 hours (which equals 25 years on the basis of an average use of 3 hours/day with at least of 13,000 on/off switching cycles). It feels so good to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambience in your home.

High quality LED light

The LED light bulb delivered with this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.
