- 3.5mm headphone jack

Highlights

20-hour runtime
With a 20-hour runtime, you can indulge in marathon viewing sessions without worrying about losing power.

Auto on/off
Philips SHC8800 headphones turn on automatically when you put them on your head. And when you're finished watching, they will automatically power off, to ensure power doesn't go to waste.

Cinematic sound
Philips SHC8800's 40mm drivers are acoustically tuned to deliver superior cinematic sound.

Easy charging
Place the headphones in the charging dock for easy charging.

Auto-adjustable fit
The self-adjusting lightweight hammock gives you the best fit for your head shape, while offering optimal comfort.

Soft fabric cushions
Soft fabric ear cushions provide extensive comfort, so you can wear the headphones as long as you need.

100m wireless range
The 100m transmission range provides immense mobility and freedom to enjoy your music all around your home.

Hi-res audio
High-resolution audio offers the best in sound performance, reproducing the quality of original studio master recordings more faithfully than 16bit/44.1kHz CD formats. Using the audio cable provided, Philips SHC8900 wireless headphones support high-resolution audio, delivering uncompromising audio quality from your preferred devices - so you can get more out of your home entertainment.
