PHILIPS

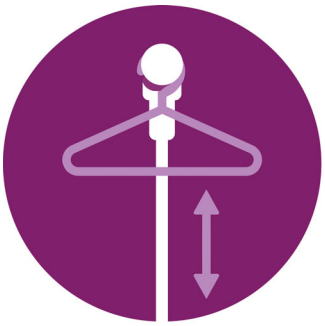

Highlights

5 steam levels

Set your preferred steam level for optimal results on different kinds of fabrics.

Adjustable pole

Integrated adjustable pole for hanging your garments while using the steamer. It is collapsible for easy storage.

25% larger steam plate

This EasyTouch Plus steamer is equipped with 25% larger steam plate compared to the predecessor models. This allows you to cover more fabric area in one stroke and therefore you can be more efficient in steaming your garment.

Easy de-calc function

Prolong the lifetime of your appliance by using the Easy de-calc descaling function regularly.

Brush accessory

Use the brush accessory with thicker garments like coats for better steam penetration and a smoother finish.

Perfect pleats made easy

Perfect pleats made easy with pleat making accessory.

Powerful continuous steam

Powerful continuous steam is blown through the nozzles, enabling you to remove creases with only a few strokes.

Glove for extra protection

Included is a glove that protects your hand during steaming.

Large detachable watertank

Large, detchable, transparent water tank suitable for a lond steaming sessions. Easy refill with large filling hole.

Safe to use on all garments

The steamer is safe to use on all fabrics. It is a great solution for delicate fabrics like silk and cashmere.
