Highlights

Rechargeable
When fully charged, the Philips VisaPure MEN Essential provides up to 20 cleanses, equivalent to 10 days of use, twice a day.

Replace heads every 3 months

To keep your VisaPure MEN hygienic, replace your brush head every 3 months by simply clicking on a new brush head replacement onto your VisaPure MEN.

Summer brush
Summer brush consists of 2 special parts that removes excessive oil, dirt and sweat from your face. The 8,000 round-edge bristles bread up the deeply-seated oil on your skin. Then the sponge in middle will create bubble and strenthen the absorption of the excessive oil, makes your feel refreshed after the cleansing

Waterproof

Philips VisaPure MEN Essential is waterproof and can easily be used in the shower and cleaned under the tap.

DualMotion Technology
The unique combination of rotation and vibration. While the vibration gently breaks up oil, dirt and dead skin cells, the rotation effectively sweeps impurities away.

Range of brushes available
Choose the brush head that fits your skin type and needs: Normal (MS590), sensitive (MS591) and deep pore (MS597) brush heads are available for purchase.
