Ease of use
- 30% more styling space on the barrel for long or thick hair
- Cool tip for easier and safer use
- Safety stand for ease of use
- Fast heat up time, ready to use in 60 sec
- Key-lock function to avoid unintentional switching
- Swivel cord to prevent tangled wires
- Auto shut-off for safe usage

PHILIPS

Sublime Ends Curler
32mm large barrel SplitStop Technology, Keratin infusion, Digital temperature settings

BHB868/05

Highlights

SplitStop Technology

SplitStop Technology designed for split free ends. It is a unique combination of optimized heat performance and minimized friction level to respect the health of your hair from roots to tips. There are no sudden temperature changes which ensures the optimum heat is delivered constantly and evenly along the barrel when you style. The barrel is coated with smooth ceramic to reduce the traction on hair strands. Create perfect curls with heathier ends full of new life.

Keratin infusion

Keratin is the hair's essential ingredient which makes them strong, healthy and gorgeous looking. The ceramic is enriched with keratin to even better take care of your hair.

Digital temperature settings

Digital display with 8 temperature settings gives you absolute control to adjust temperature to your hair type for damage prevention.

Up to 200°C

High temperature enables you to change the shape of your hair and get the curly look you want.

32mm large barrel

32mm large barrel for soft curls

30% more styling space

Increased styling space on the barrel for easier curling even long or thick hair.

Cool tip

The tip of the styler is made from a special heat insulating material to keep it cool; you can safely hold it while you're styling for optimal ease of use.

Safety stand

The safety stand enables you to put the curler down safely during use

Fast heat up time

This styler has a fast heat up time, being ready to use in 60 seconds.
