Highlights

3 ear can patterns included
You can customise your ear cans with any of the 3 ear can patterns included, or alternatively you can design your own pattern of choice

30 mm driver for balanced sound
Acoustically tuned 30 mm neodymium drivers ensure balanced sound performance

Hi-sensitivity mini mic
Despite being further away from your mouth, the high-sensitivity mini microphone still picks up your voice so others can hear you clearly

Lightweight neckband design
The lightweight neckband design ensures you can wear comfortably for longer periods of time, without messing up your hair or pressing on your head

Inline mute and volume control

Convenient inline mute and volume controls allow for quick adjustments
