

Philips PowerPro Compact
Bagless vacuum cleaner

1900 W
EPA 10 filter
1,5L
Remote control

FC9353/01

1900W performance in a convenient, compact size

Higher suction power* with PowerCyclone 5

Philips PowerPro Compact bagless vacuum cleaner provides strong suction power for top cleaning results. Powerful cyclonic action and advanced design put dirt in its place and keep it there to control dust, even while emptying.

Remarkable cleaning results
- 1900W motor for strong suction power
- PowerCyclone 5 technology separates dust from air
- MultiClean nozzle for thorough floor cleaning

Effortless cleaning
- ActiveLock couplings easily adjust to every task
- Large rubber wheels for better motion control
- Lightweight and compact for freedom to move
- Remote control buttons right in the handle
- Soft brush integrated into handle, always ready to use

Clean air filter system
- EPA10 filter for healthy air

PHILIPS

Bagless vacuum cleaner
1900 W EPA 10 filter, 1,5L, Remote control

FC9353/01

Highlights

1900 watts of cleaning power

A 1900-watt motor generates strong suction power for fast, deep cleaning results.

Powerful cyclonic action

Exclusive PowerCyclone 5 technology accelerates air in the cyclonic chamber to separate out dust. Powerful swirling action maximizes airflow and performance for remarkable cleaning results.

MultiClean for any surface

Pick up even fine dust on all types of floors with our MultiClean nozzle, designed to keep low and close to the ground for better suction.

Remote control

Control buttons right on the handle let you control power and adjust settings comfortably — without bending, squatting or interrupting your cleaning.

Soft brush at your fingertips

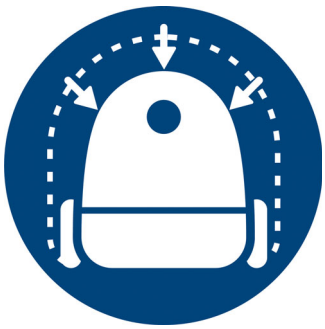

A dusting brush attachment is built right into the handle so it's always ready to use for furniture, flat surfaces and upholstery.

Instantly adjust to any task

ActiveLock couplings mean nozzles and accessories simply snap into place on the telescopic tube during cleaning.

Lightweight and compact

Thanks to its light weight and compact size, you can easily roll and carry it anywhere you need while you clean.

Large wheels - better control

The large rubber wheels provide smooth motion control as you clean.

EPA filter for healthy air

Keep the air clean for your family. Our pleated EPA filter captures small dust particles without clogging for better, longer-lasting filtration results.

Specifications

Performance
- Airflow (max): 37 l/s
- Input power (IEC): 1600 W
- Input power (max): 1900 W
- Sound power level: 82 dB
- Suction power (max): 370 W
- Vacuum (max): 33 kPa

Usability
- Action radius: 9 m
- Carrying handle: Front
- Cord length: 6 m
- Tube type: Metal 2-piece telescopic tube
- Wheel type: Rubber
- Tube coupling: ActiveLock
- Power control: Remote control

Design
- Color: Deep Turquoise

Filtration
- Dust capacity: 1.5 L
- Exhaust filter: EPA 10 filter
- Motor filter: Washable filter

Nozzles and accessories
- Accessories included: Crevice tool, Integrated brush
- Accessory storage: On tubeclip
- Standard nozzle: MultiClean nozzle

Sustainability
- Packaging: > 90% recycled materials
- User manual: 100% recycled paper

Weight and dimensions
- Dimensions of product (LxWxH): 410 x 281 x 247 mm
- Weight of product: 4.5 kg
- Dimensions of packaging (LxWxH): 525 x 320 x 315 mm
