PHILIPS

Spot light
BOX white, LED

5049131P0

Highlights

High quality LED light

The LED light bulb, delivered with this Philips lamp, is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your home.

5 year warranty on LED system

On top of the standard 2 year warranty for this lamp, Philips offers 5 year warranty on the LED system, meaning the LED module and the driver in this lamp.

Adjustable spot head

Direct the light where you want it most by simply adjusting, rotating or tilting the spot head of the lamp.

Compatible with most dimmers

This Philips LED light includes the latest LED technology, working with most dimmers. Simply use your current dimmer, or any type of dimmer you want!

Easy to mount - click!FIX

This LED light makes use of click!FIX, a new and revolutionary mounting system, patented by Philips. With click!FIX you can easily mount your light in 4 simple steps. It's easy and quick!

Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

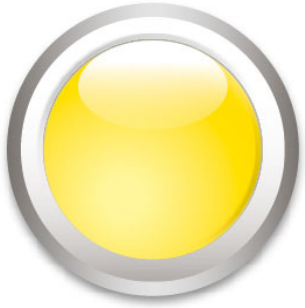

High quality materials

This lamp is sculpted from layered patterns of high quality materials with superior finishing. This ensures a solid and long lasting product which will enhance your home for many years to come.

WarmGlow Dimmable

Designed to provide quality dimming to create the right ambiance for any activity, the more you dim, it will create a warmer atmosphere.

Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.
